

THOMSON REUTERS Case Notebook

Each case contains details that can help make or break your case. Facts that turn into key pieces of evidence. Those facts are often buried within a growing amount of documents. It's important for your information, your tools, and your team to have synergy, to avoid the risk of missing critical details.

Synergy

Information must be exchanged across multiple members of your team and across numerous tools. You need the ability to share details while focusing on a consistent representation of the client and story of your case.

Electronic case management allows you to have synergy across platforms and people to avoid missing details and helping better meet your clients' needs.

IS ELECTRONIC CASE FILING IMPORTANT?

97% of lawyers believe that electronic case management with analysis capability can help mitigate critical details on a case.

77% of lawyers think electronic case file provide better client service.
